OTHER INFORMATION

Livestock Conversion State of Origin

In 2025, LBRCA will be hosting the Livestock Conversion State of Origin. We will be using a 4x2 B trailer proudly supplied by our Blue-Ribbon Sponsor Truck Art Trailers with all competitors vying for the title of Champion – and State bragging rights. The rules are simple – convert the float from cattle set up as big pens to sheep and back again with the objective of completing it in the shortest time possible. Heats will be ran throughout Friday 4 April with the fastest three competitors competing in the final during Happy Hour.

Will you be participating in the challenge? Yes No

Tyre Changing Competition

How quickly can you change a truck tyre? A competition to test your speed and agility when it comes to changing a truck tyre will be a key feature of our event in 2025. A great prize is up for grabs as well as the opportunity to take home the inaugural title of 'Truck Tyre Challenge Champion'. Heats will be ran throughout Friday 4 April with the fastest competitor crowned during the Friday night dinner.
